You are now ready to begin inputting the details of your submission. Your submission task list tracks the required information you must include with your submission. You may complete the tasks in any order and do not have to complete all of the tasks in one session. Click "Primary Author" to begin.

The screenshot shows the 'TASK LIST' page for a submission titled 'Test - Poster Presentation'. The page includes a navigation bar with 'Home | Log Out' and 'Conference Details | Technical Support'. Below the navigation bar is a breadcrumb trail: 'Home / Submission / Task List for 'Test - Poster Presentation''. A 'Save Submission' button is located in the top right corner. A light blue box contains the text: 'You must complete each of the tasks listed below before you can present your abstract. No changes will be accepted after July 15, 2025.' Below this is a grey box with submission details: 'Test - Poster Presentation', 'Submission ID: 2310739', 'Submission Type: Traditional Poster Presentation', and 'Submission Status: Active'. A green box states: 'New submission was successfully added.' Below this are two tasks: '1. Primary Author' with a 'Click here to add the primary author to this submission.' link, and '2. Co-Author List' with a 'Click here to add co-authors to this submission.' link. The bottom of the page features a footer with '112 days until the submission period closes', '© 2025 Cadmium | Tel (410) 638-9239 | Support@GoCadmium.com | Site Map'. An orange circle highlights the 'Primary Author' task link.

7

Enter the Primary Author's first name, last name, email, and select the "Primary Author" field.

Submit Agreement

You must agree to all of the following statements in order for your submission to be considered.

By submitting this abstract, the corresponding author attests that the research to be presented is:

A. Original and not previously presented or published.

B. Research and/or data to be presented were conducted in compliance with institutional guidelines for human or animal research and/or the Helsinki Declaration. We appreciate that many clinicians without an institutional affiliation collect and publish valuable information. By conforming to these guidelines, the corresponding author declares that all human data were collected with participants informed consent.

C. Disclosure of conflict of interest will be clearly stated in the methods and/or during the presentation. Conflicts of interest include funding sources for the reported study/data or having a financial interest in a test or product or with a company that published a test being investigated.

I have read and agree to the above terms and conditions.
